

Glossy Paints

(Owner of famous 1001 brand)

Group Overview

We have been manufacturers of paints and coatings since 1938, started in Lahore, Undivided India. Over the past 80 years, we have grown as a prominent player operating in the India market building goodwill with the 1001 brand.

We manufacture paints and coatings for industries, OEM, projects, decorative, automotives, turf/ tennis courts etc . All orders no matter how small or big are fulfilled in a reasonable time.

With good infrastructure, a dedicated workforce and state of the art R and D facilities for building innovative coating solutions, Glossy Paints is a brand known for integrity, innovation and excellent quality products. Many products of which are ISO 9001:2008, 14001:2015 and BIS standards certified. Taylor made products for specialised surfaces and purposes are made too while constant R&D is done to develop new products and remain competitive.
